

**Hey Bloomington!** Hoopology University is proud to present the 2009 summer basketball program!

This summer we will provide options for athletes of all ages to improve their basketball skills. Players will experience a personalized coaching approach by working with the coaches from Hoopology. Hoopology University has been providing basketball instruction to athletes throughout Minnesota for the past 8 years. We have worked with athletes who are just starting out the game as well as Division 1 athletes. We will provide you with the fundamentals necessary to improve your game in a fun and challenging atmosphere.

<b>What:</b>	<b>Mini - Camps</b>	<b>Drills 4 Skills</b>	<b>Lessons</b>	<b>Site Address</b>
	Mini-Camps will focus on footwork, ball handling, passing, shooting and reading screens that will develop the individual player. Less than 10:1 player to coach ratio.	Drills 4 Skills is geared for the younger athlete who is learning the basics of the game. Focused attention on how to do things the right way plus learning the basics of the game, to build a love for the game.	Lessons can be for individuals, or you can create your own group of up to 5 people. The instruction will be set to your skill sets and position.
